By Dawn Reiss

He's shut down Paris and New York. He's danced on *The Ellen DeGeneres Show* and sung for President Obama. By now you all know his name: Justin Bieber.

There's no question that this teen sensation is the hottest thing on the market right now, especially if you're a teenaged girl.

Still, the newly turned 16-year-old (his birthday was March 1) jokes he doesn't "have a girlfriend yet, unless you want to go out?" which he stated after a reporter's inquiry about his love life. For now, the stage is his passion (along with his well-known celebrity crush on Beyoncé). While presenting with Ke\$ha during this year's 52nd Grammy Awards, he announced a video contest for Bon Jovi, only to accidentally say Beyoncé's name, joking that she's always on his mind. "She is hot as heck," Bieber later joked during a phone interview. But like any good momma's boy, he took his mother, Pattie Mallette, to the awards, as his date.

BIEBER © DEF JAM RECORDS 2010

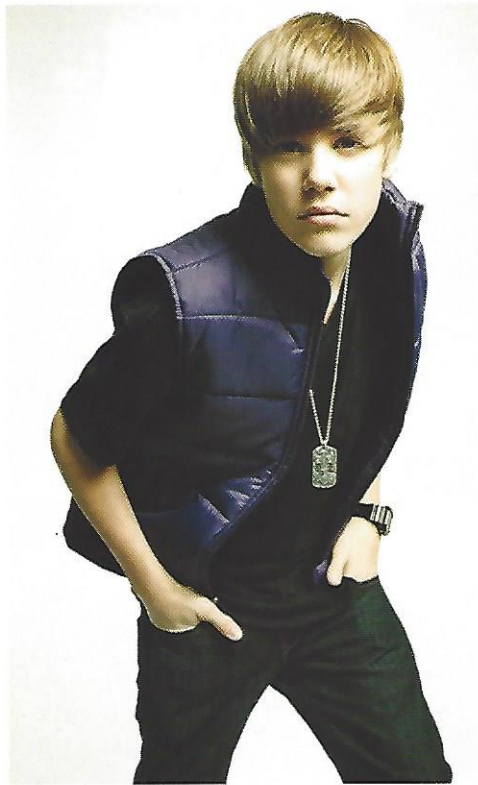

It's a far cry from the YouTube sensation's early beginnings in Canada's Stratford, Ontario. Growing up, he loved singing while brushing his teeth. He taught himself how to play the piano, guitar, and trumpet and took drum lessons while living in low-income housing with his single mother. At age 12, he entered a local talent contest, coming in second. He then uploaded videos on YouTube for family and friends who missed the competition. His covers of Usher and Chris Brown caught the attention of Scooter Braun, a hip-hop-industry marketer who accidentally discovered Bieber while searching for another singer.

Braun helped Bieber beef up his YouTube videos and brought Bieber in to record a demo in Atlanta. According to the *New York Times*, Bieber bumped into Usher in the studio parking lot and offered to sing for him on the spot. Amused, Usher passed, but quickly changed his mind. It led to Bieber's eventual deal with Island Def Jam, who had signed Usher at 14.

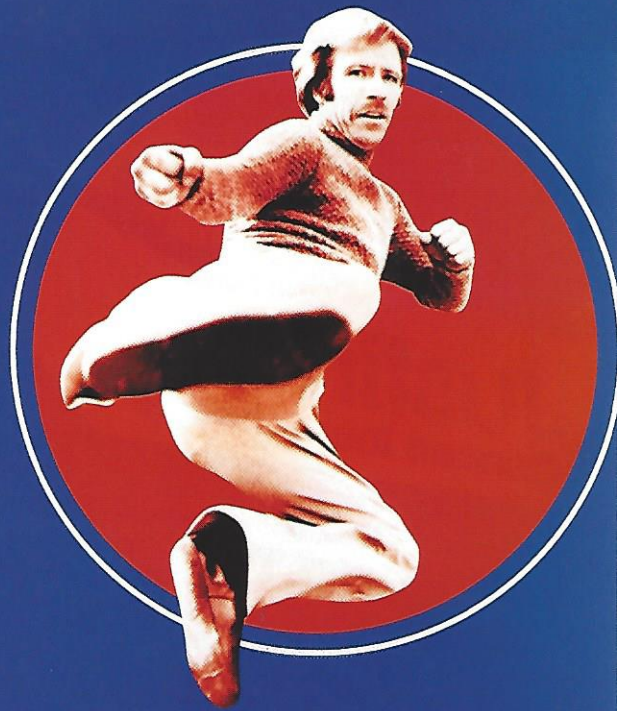

These days, when he's not on tour, Bieber spends his time in Atlanta with his mom. He just released his second album, *My World 2.0*, on March 23, which followed up his November 2009 release *My World*. He co-wrote some of the songs on the album and his hit "Baby" video, released on YouTube in February, hit over 5 million viewers in just three days. "It's been incredible having been able to work with Usher, Ludacris, and a lot of these big names," Bieber said. "It's been incredible, this whole rollercoaster ride."

Bieber's sense of humor,

and good looks have helped him climb the charts. His pre-album singles "One Time," "One Less Lonely Girl," "Love Me," and "Favorite Girl" became Top 40 hits on the Billboard Hot 100, making him the only artist in Billboard history to have four singles from a debut album chart in the Top 40 of the Hot 100 before the album's release. He worked on the "We Are the World 25 for

Haiti" remake of the 1985 classic to help victims of the Haitian earthquake by singing the opening line once sung by Lionel Richie. He's toured with Taylor Swift on her Fearless tour and was one of the performers at Dick Clark's New Year's Rockin' Eve with Ryan Seacrest. Performing Stevie Wonder's "Someday at Christmas" for President Barack Obama and First Lady Michelle Obama at the White House for the TNT's Christmas television special last year has been his career highlight. "It was amazing just being able to be up there and knowing you are performing for the president," he said. "I even shook his hand."

Twitter and Chuck Norris

Bieber loves Twitter so much that he even got caught in class, Twittering while he should have been studying. He told his fans, "Just got caught, education is key."

You can also find Bieber's perennial "Random Chuck Norris Moment" Twitter updates like this one:

"JayZ has 99 Problems... and ALL of them are CHUCK NORRIS. Ha, Ha. Classic."

Bieber hopes to meet Chuck Norris this year, citing it as one of his goals for 2010. Why?

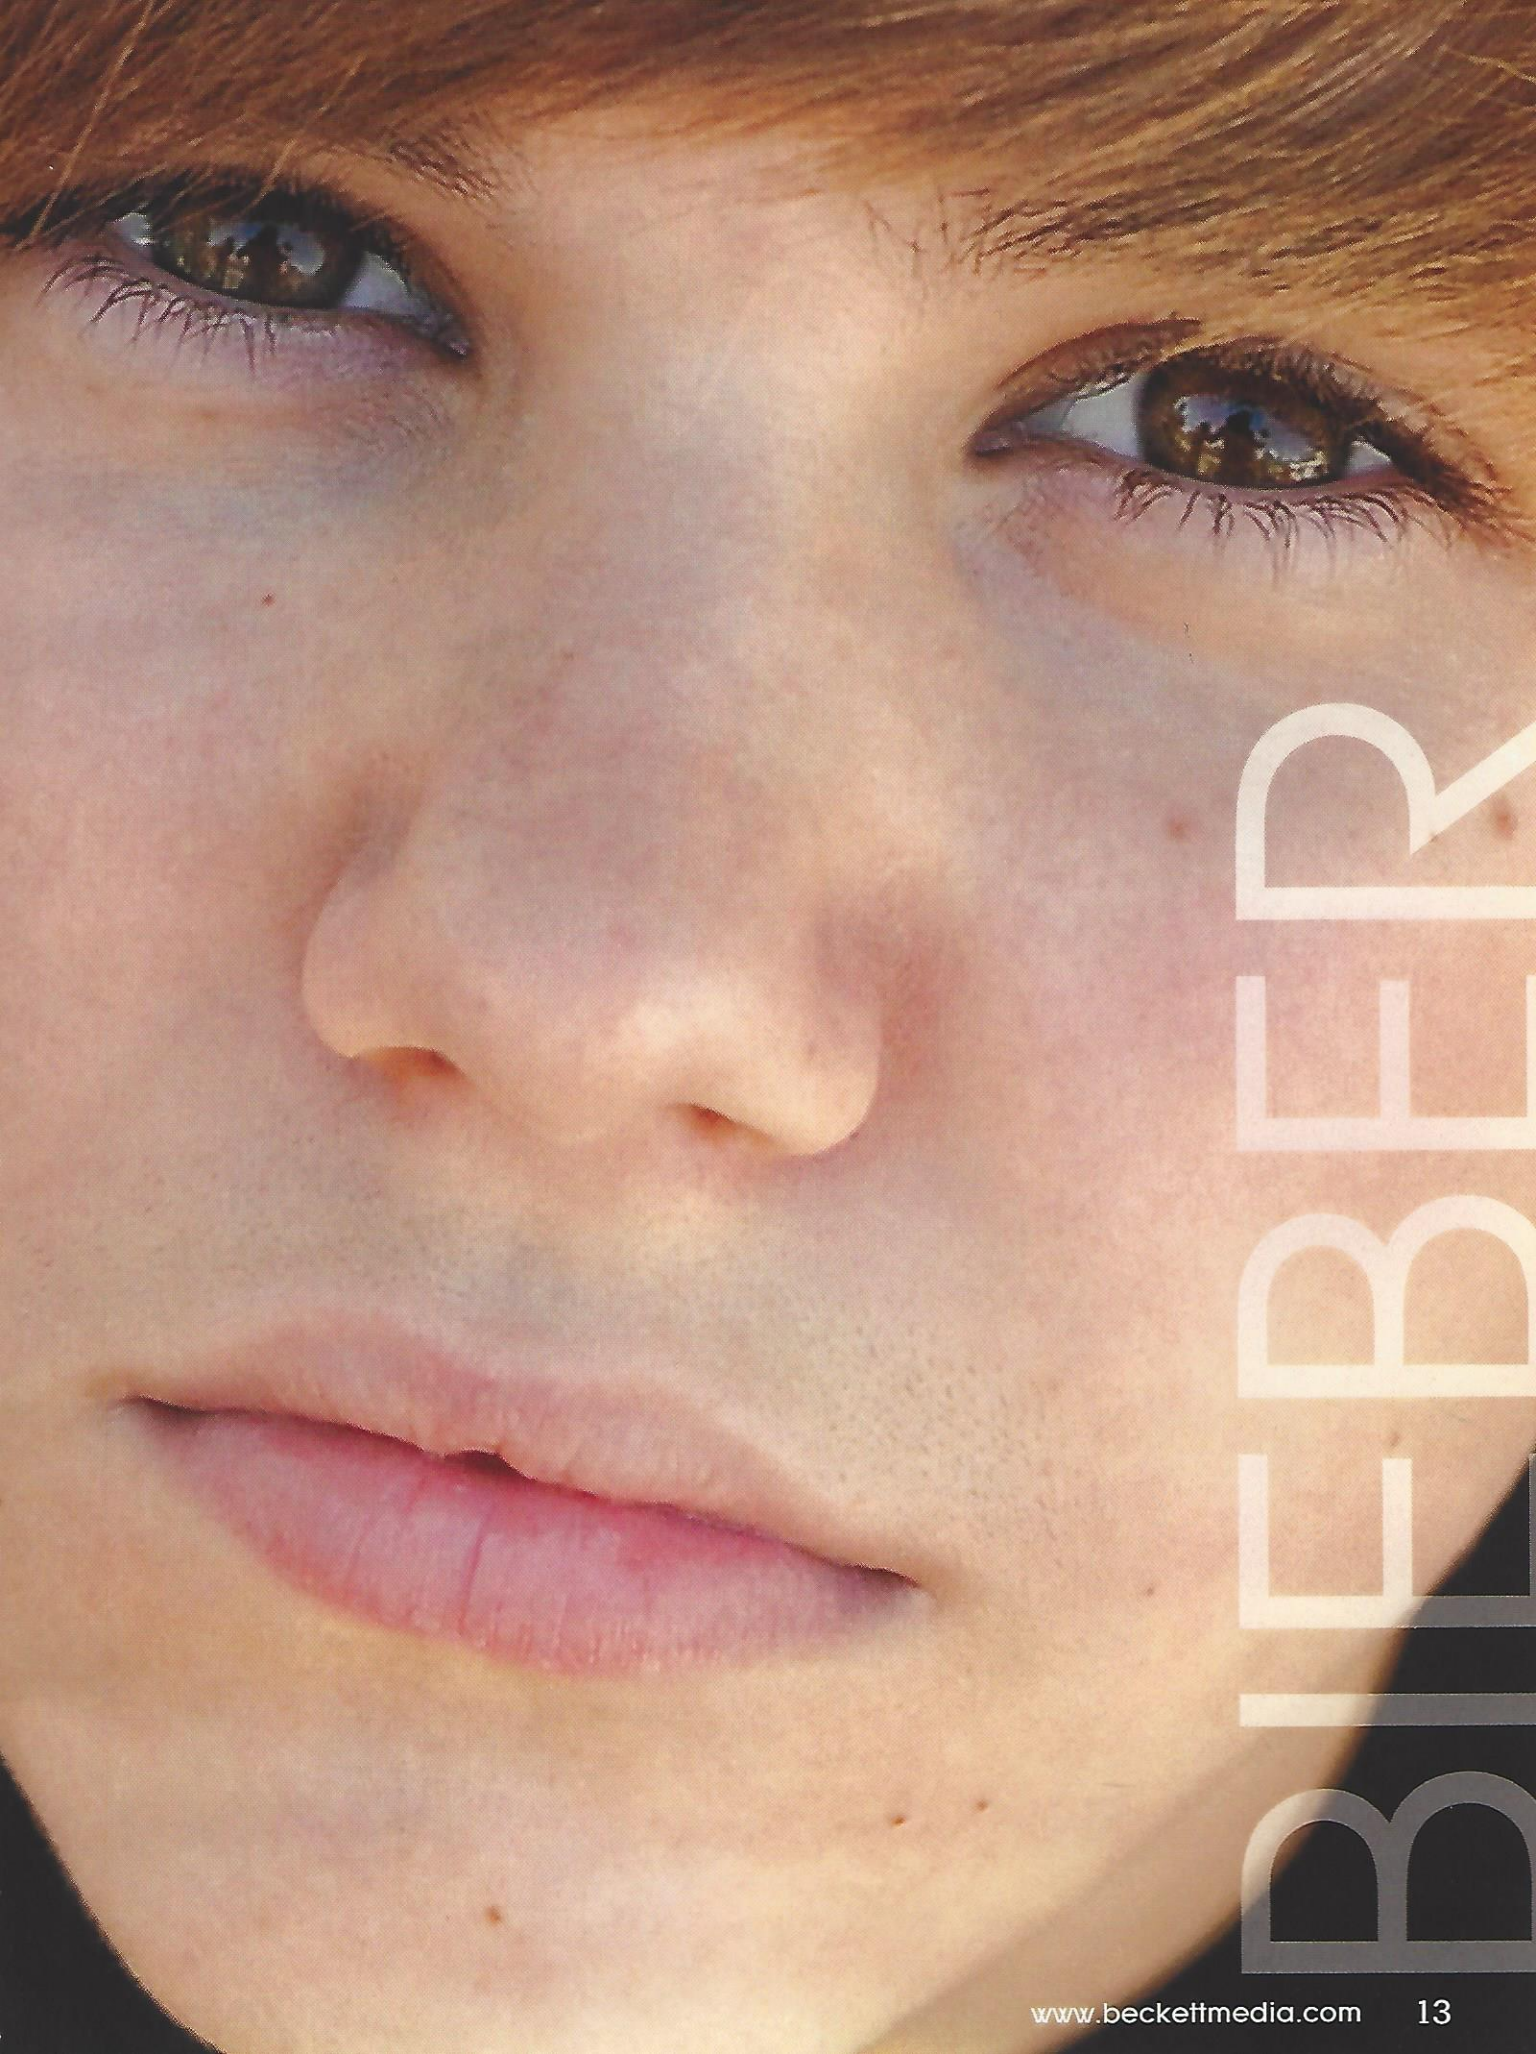

"Because Chuck Norris is an absolute beast," Bieber says. "He's a wrangler. Chuck Norris is a big influence in my life. I live my life by his stories."

Laughing, he jokingly added, "Chuck Norris can drop kick someone through the actual telephone. I wish I could drop kick a bunch of people through the phone..."

When Bieber isn't making Chuck Norris jokes, he's also taking time to help fundraise for charities like PencilsofPromise.org, a nonprofit that helps improve education for children in developing countries.

He also finds time to play his favorite game, FreeTypingGame.net, where you can practice your typing skills, something he's gotten good at with all the fan mail he receives.

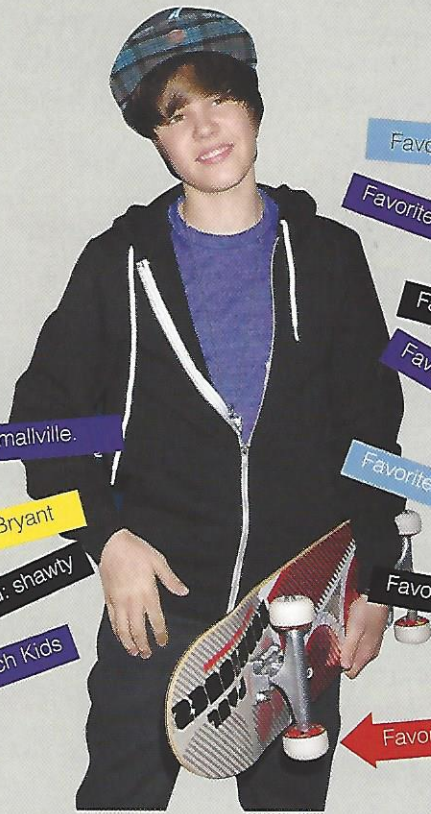

"I type 130 words a minute," he said. "I swear on my life and I don't swear on my life, ever."

Lyrics for Favorite Girl

Ohh uh uh ohhhh
 Ohh uh uh ohhhh,
 Ohh uh uh ohhhh,
 Ohh uh uh ohhhh,

I always knew you were the best
 The coolest girl I know
 So prettier than all the rest
 The star of my show
 So many times I wished, you'd be
 the one for me
 But never knew you'd get like this
 girl what you do to me
 You're who I'm thinking of,
 Girl you ain't my runner up
 No matter what your always number
 one

My prized possession
 One and only
 I adore ya
 Girl I want ya
 The one I can't live without that's
 you, that's you
 You're my special
 Little lady
 The one that makes me crazy
 Of all the girls I've ever known it's
 you, it's you
 My favorite, my favorite, my
 favorite,
 My favorite girl, my favorite girl

You're used to going out you're way
 to impress these Mr. Wrongs.
 Never knew you'd feel like this. I'll
 take you as you are
 I know they said believe in love is a
 dream that can't be real

So girl, lets write a fairy tale and
 show 'em how it feels

You're who I'm thinking of,
 And girl you ain't my runner up,
 No matter what you're always num-
 ber one

My prized possession
 One and only
 Adore ya
 Girl I want ya
 The one I can't live without that's

 You're my special
 Little lady
 The one that makes me crazy
 Of all the girls I've ever known it's
 you, it's you
 My favorite, my favorite, my
 favorite,
 My favorite girl, my favorite girl

You take my breathe away,
 With everything you say
 I just wanna be with you
 My baby, my baby, oh oh,
 My miss don't play no games,
 Treats you no other way
 than you deserve cause your the girl
 of my dreams

My prized possession
 One and only
 Adore ya
 Girl I want ya
 The one I can't live without that's
 you, that's you
 You're my special
 Little lady
 The one that makes me crazy
 Of all the girls I've ever known it's
 you, it's you

Ooooooh
 I want you
 It's you, it's you
 My favorite, my favorite, my
 favorite,
 My favorite girl, my favorite girl...
 is you....

Lyrics for: One Less Lonely Girl

There's gonna be one less lonely girl
 One less lonely girl
 There's gonna be one less lonely girl
 One less lonely girl

How many I told you's
 And start overs and shoulders
 Have you cried on before
 How many promises be honest girl
 How many tears you let hit the floor
 How many bags you packed
 Just to take 'em back, tell me that
 How many either or's
 But no more,
 If you let me inside of your world
 There'd be one less lonely girl

(Chorus)
 Oh oh
 I saw so many pretty faces
 Before I saw you, you
 Now all I see is you, I'm coming for you

Oh oh
 Don't need these other pretty faces
 'Cause when your mine in the world
 There's gonna be one less lonely girl
 One less lonely girl
 One less lonely girl
 There's gonna be one less lonely girl
 I'm gonna put you first
 I'll show you what your worth
 If you let me inside your world
 There's gonna be one less lonely girl

Christmas wasn't merry, 14th of
 February
 Not one of them spent with you
 How many dinner dates, set dinner
 plates
 And he didn't even touch his food
 How many torn photographs are you
 taping back
 Tell me that you couldn't see an open
 door
 But no more,
 If you let me inside of your world

(Chorus)
 Oh oh

I saw so many pretty faces
 Before I saw you, you
 Now all I see is you, I'm coming for you
 Oh oh
 Don't need these other pretty faces
 Like I need you
 'Cause when your mine in the world

There's gonna be one less lonely girl
 One less lonely girl
 One less lonely girl
 One less lonely girl
 There's gonna be one less lonely girl
 I'm gonna put you first
 I'll show you what your worth
 If you let me inside your world
 There's gonna be one less lonely girl

I can fix up your broken heart
 I can give you a brand new start
 I can make you believe,
 I just wanna set one girl free to fall
 She's free to fall, fall in love with me

Her heart's locked and know what, I got
 the key
 I'll take her and leave the world
 With one less lonely girl

There's gonna be one less lonely girl
 One less lonely girl
 One less lonely girl
 One less lonely girl

There's gonna be one less lonely girl
 One less lonely girl
 One less lonely girl
 One less lonely girl

I'm coming for you, one less lonely girl
 I'm coming for you, one less lonely girl
 I'm coming for you, one less lonely girl
 There's gonna be one less lonely girl

I'm coming for you, I'm gonna put you
 first
 I'm coming for you, I'll show you what
 you're worth
 That's what I'm gonna do, if you let me
 inside your world
 There's gonna be one less lonely girl
 Only you shawty

Lyrics for: Eenie Meenie

(Sean)
Eenie meenie miney mo
Catch a bad chick by her toe
If she holla (if, if, if she holla) let her go

She's indecisive
She cant decide
She keeps on looking
From left to right

Girl, come a bit closer
Look in my eyes
Searching is so wrong
Come Mr. Right

You seem like the type
To love em and leave em
And disappear right after the song,
So give me the night
To show you, hold you
Don't leave me out here dancing alone

You cant make up your mind, mind,
mind, mind, mind
Please don't waste my time, time, time,
time, time
I'm not trying to rewind, wind, wind,
wind, wind
I wish our hearts could come together as one

Cause shawty is a eenie meenie miney

And disappear right after the song,
